March 30, 2011

Dear Parents of two year-olds and above:

Subject: Summer Program 2011 = For Children Two Years-old and Above  
Theme: Fun and Fitness

Our summer program this year will primarily be filled with fun and fitness activities. We are excited to be using Champions Fieldhouse located at 40 Southlawn Court, Rockville, Maryland, 20850, to participate in specific sport camp activities such as, soccer, basketball, lacrosse, volleyball, kick ball, dodge ball, etc.

Please feel free to visit the [championsfield.com website](http://championsfield.com) to see our venue of choice. There will be swimming twice a week, field trips, arts and crafts, healthy food, cook outs and “Mathematics and Reading – Keep it Fresh” time to round out our days.

For children who are two and three years-old, we have planned many activities that children traditionally love. Pipik Puppet Show and Cody & BJ will visit us, Petting Zoo animals, water play and other fun-filled “entertainments”. All three year-olds will also be invited to the above special programs mentioned for two year-olds. In addition, our three year-olds will visit Chuck-E-Cheese, Duckpin Bowling, the Aviation Park and participate in many other fun-filled activities. See our Calendar for all special events for children.

We look forward to you joining us in the summer.

Sincerely,

Richard A. Crump  
President & CEO
